

Bring a New Park to Center Point

We Need Your Input!

The City of Center Point is exploring the idea of installing a new park on the east side of town.

This would provide improved recreation opportunities, community gatherings, and overall improve the quality of life for those who live nearby.

Proposed location off of Grubbs Street, between 1st Ave and Park Ave. Potential features include playground, benches, military equipment, pavilion area, and community garden.

Planning starts in 2026 – your thoughts now will help guide us!
